

Activity 1: Baseline Survey
We're Ready! Instructional Plan

<p>Date & time: 9:15 – 9:30 3 minutes of instruction and handing out materials 12 minutes for filling out survey (longer for ESL participants)</p>
<p>Presenter:</p>
<p>Description of learning activity: Participants are asked to sit at tables. Instructions are provided about the survey (by Eva) while someone else hands out surveys and pencils. Participants fill out survey. Participants are asked to give completed surveys to one person at the table, who is then asked to give to a workshop organizer (Eva).</p>
<p>Learning objectives: To evaluate the effectiveness of the workshop in order to assess the success of the We're Ready! Pilot Project.</p>
<p>Instructional techniques: Read instructions.</p>
<p>Speaking points: (Please take a seat). Before we jump into the activities, there is a survey to fill out. We will also do a survey after the activities just before we finish up for the day. The purpose of the survey is to determine whether the We're Ready! workshop was effective based on what we set out to do (purpose, goal, learning objectives, and deliverables). Additional information is also gathered to gain a better understanding about participant's risk awareness, experience with major emergency or disaster, emergency preparedness behaviours, social connections, and confidence in knowing what to do in an emergency. The information you provide is very valuable and will help us improve the workshop in the future. Participating in the survey is voluntary. Please do not need to put your name or contact information on the survey.</p> <p>These questions are the same or similar to those asked by Statistics Canada in 2014 on a national survey. Please wrap up around 9:30. If you are not sure about how to answer a question or the wording of a question, don't hesitate to ask us. Are there any questions before we get started?</p> <p><i>Once completed survey...</i></p> <p>It's 9:30 and it seems most people are finished with the survey. When you are finished please pass them to a designated person in your group. Eva will then collect the surveys from them. Thank you again for taking the time. Now for some fun activities!</p>
<p>Demo activity details: See pre-workshop survey for details</p>
<p>Assessment plan: Pre-workshop and post-workshop surveys will be collected by Eva and analyzed. Results will be</p>
